About Us

- ▶ Well known producer of convenience food in Iran covering a market more than 70 million people locally
- ▶ Targeting an export market almost more than 200 million people overseas including CIS, Russia, AMEA and South East Asia in first phase
- ▶ Portfolio of more than 48 products
- ▶ **Mahnam** and **Patri Food** are our leading brands

Mahnam History

- ▶ Founded as Patri Co nearly 50 years ago in 1969, Mahnam proudly manufactures a variety of convenience foods such as healthy instant soups, fresh canned products and pickles.
- ▶ Mahnam, as an Iranian company, was the first factory in the middle east founded to produce ready to make meals and convenience foods to provide this big market.

Mahnam Today

- ▶ We have More than 80 loyal and eligible employees with adequate knowledge and experience
- ▶ Mahnam's manufacturing plant is about 34,000 square meters that more than 23,000 square meters is dedicated to production line and the other 11,000 square meters is free to develop the factory.
- ▶ Enjoying from reputable European machinery we still intend to modernize our production lines to manufacture new products
- ▶ **Mahnam** and **Patri Food** gain almost the second market share in the country

R & D

- ▶ Having a well educated and experienced R & D team
- ▶ Concentration on quality and freshness of products
- ▶ possessing the most healthiest and keen international high quality standards:
 - Iran National Standard
 - ISO 22000
 - HACCP
 - ISO 9001
 - Halal

What we do

- ▶ In Mahnam we do our best in production process to keep the freshness of vegetables or grains and deliver the taste of home-made foods as well as not to add any preservatives or artificial colors. This efforts are taken in action in order to retain the freshness and nutritive values of the ingredients used in our ready to eat meals.
- ▶ This can be done due to enjoying from domestic and international standards and qualified R & D department. We are also planning to redevelop our production lines to produce about 30 new items.
